

Moffats School of English 2019

In 2019, Moffats School of English will run courses for ages 7-14 for four weeks from Saturday 15th June to Saturday 13th July. Students may attend for 1-4 weeks.

We will be running an 'English plus Activity' programme that appeals to children's special interests and talents through the medium of the English language.

The programme will include classroom-based teaching with qualified teachers, all of whom are native speakers. This teaching comprises:

- English lessons, including drama, with special focus on speaking and listening
- Lessons in English addressing other interests, depending on each teacher's specialism: eg discovering British history, engineering challenges, making music, scientific exploration

Students will also receive professional instruction in a selection of practical skills, including tuition in the specific language of each activity. Some examples:

- Art and Craft
- Forest School (including Archery)
- Pony Club (*riding lessons available for an extra charge**)
- Gardening
- Cookery

For a further hour each day, students will all participate in traditional sports (cricket, rounders etc) with a range of clubs to finish each evening, including games such as croquet and badminton.

1:1 or small group tuition in English will also be available for an extra charge.*

Course fee: £700* per week

**includes complimentary travel insurance*

**includes all activities and outings as described above*

** extra charge for certain specific activities if requested: English tuition, horse-riding lessons*

**discounted group transfer is available to/from Birmingham and London Heathrow Airports at certain times on Saturdays (see Terms and Conditions)*

**discount of 5% for students attending all 4 weeks = £2660*

**pocket money of £75 per week is recommended: this will enable students to shop in and out of school, as well as attend extra events (eg concert, theatre)*

**Visit www.moffats.co.uk for a registration form
and to see a full description of our setting, premises and history**

Course overview

A proper British cultural experience, giving an insight into our way of life in the UK and a chance to experience and contribute to life in a residential community

- 6 hours of English tuition per week
 - Communication skills – speaking and listening
 - Pronunciation and fluency, including humorous drama sketches
 - Grammar and vocabulary
 - Enhancement of reading and writing skills
- 6 hours of wider-interest lessons per week
 - Learning other subjects through English
- 5 hours of practical tuition per week
 - Practical activities suitable for all levels
 - Focus on specific vocabulary
 - Use of our extensive outdoor space
 - Interactive, lively sessions
 - Special visits and demonstrations
 - Interaction with the local community
- 5 hours of British team sports per week
- A weekly full-day outing and other mini-outings
- Evening occupations: activities and clubs to appeal to all interests
- A rewards system that acknowledges hard work and personal achievement, as well as courtesy, kindness and helpfulness
- Daily quiet time, in which students are encouraged to read a book or write a diary (in English)
- Three home-cooked meals a day and snacks
- A weekly show, highlighting everyone's achievements in their own choice of performance
- An end-of-course certificate, listing all activities undertaken
- A written report for parents
 - Plenty of time to enjoy our lovely surroundings and communicate freely with each other
